SECOND SESSION.

SATURDAY MORNING, 9 o'clock, April 29th, 1843.

Synod opened with prayer by the Secretary. Brother J. Swicegood now appeared, rendered his excuse for his absence on yesterday, and took his seat. The minutes of yesterday were read and confirmed.

COMMITTEE ON MINUTES REPORTED.

Report No. 1.

The first committee beg leave respectfully to report as follows, on the minutes of the Synod of Maryland and of Alleghany:

1. The 24th session of the Synod of Maryland was held at Frederick, Oct. 15th and following days, A. D. 1842. It consisted of 26 clerical members. Officers elec-

ted were Rev. J. Winter, President, Rev. S. W. Harkey, Secretary, and Ezra Keller, Treasurer. The parochial report gives 64 congregations in connection with that body; 1115 baptisms; 1120 confirmations; 7167 communicants; 31 Lutheran Sunday-schools; 547 teachers; 3453 scholars: 90 prayer-meetings. From the report on the proceedings of other Synods, it appears that there are 19 district Synods in the U. S. A.; 430 ordained and licensed ministers; 1371 congregations, and 147,000 communicants. More than 60 were added to the number of Lutheran ministers; upwards of 9000 were admitted to membership; adults and infants baptized 17,800. Three new Synods have been formed, 9 congregations organized, and 80 houses of worship erected. In this number, however, the two Henkelite Synods are comprehended, which would lessen the parochial summary somewhat, if deducted.

The delegates to the General Synod, have been instructed to use their efforts to have the resolution of that body, passed a few years ago in reference to the Frankean and Tennessee Synods, rescinded. Whereas the General Synod is merely an advisory body, and as said resolution is no more than the *expression of opinion* on the subject included in the resolution of the brethren who composed the General Synod of 1839, your committee recommend that the delegate from this body to the approaching convention of the General Synod, be instructed to vote against the rescinding of said resolution,—first, because your committee cannot see how the *opinions* of men composing one General Synod, can be rescinded by other men about to meet in like advisory capacity;—and secondly, because this body entertains the opinion in regard to the Tennessee Synod, so called, which is embodied in said resolution.¹

2. The first meeting of the Alleghany Synod of Pennsylvania, took place at Holidaysburg, Huntingdon Co. Pennsylvania, Sept. 9th, 1842. It consisted of 12 ministers. Officers elected are Rev. Wm. Yeager, President, Rev. P. Rizer, Secretary, and Rev. A. Babb, Treasurer. The number of congregations in connection with said Synod are 49. The parochial report gives 655 baptisms; 670 confirmations; 4137 communicants; 35 Sunday-schools, and 46 prayer-meetings. These brethren, before the formation of this body, were members of the West Pennsylvania Synod¹

All of which is respectfully submitted,

JOHN F. W. LEPPARD,
WM. H. SMITH.

2. *Resolved*, That this report be read and discussed, item after item, which was accordingly done, and finally adopted as a whole.

¹For the information and satisfaction of all who may not know the contents and spirit of the resolution referred to in this report, I take the liberty to insert it.—*The Secretary*.

“Whereas certain persons, claiming to be ministers and members of our church, have formed themselves into ecclesiastical bodies, called, ‘The Tennessee Synod,’ and also, ‘The Frankean Synod of the Evangelical Lutheran Church,’ and whereas, said persons are introducing practices, which we consider contrary to the word of God, thereby causing disturbances and divisions in our churches. Therefore,

VIII. “Resolved, That we deem it our sacred duty to give a public expression of our disapprobation of these proceedings, and to exhort the churches in our connection, and all Evangelical Lutheran churches in the United States, to beware of the efforts of these men to cause divisions and offences contrary to the spirit of the gospel.”

SECOND COMMITTEE ON MINUTES REPORTED.

Report No. 2.

Report Received.

The second committee beg leave respectfully to report as follows, on the minutes of some sister Synods.

1. The Hartwick Synod of the State of New York, held its 12th session at Stone Arabia, Montgomery Co., September 3rd, 1842. The number of clerical members amounted to 16. The officers of Synod elected, were Rev. Dr. G. A. Lintner, President, Rev. Levi Sternberg, Secretary, and Rev. Wm. N. Sholl, Treasurer. The number of congregations in connection with said Synod is 27; baptisms of infants and adults were 345; confirmations 163; communicants 3877; prayer-meetings 32; Sunday-schools 34; teachers 152; scholars 1001.

Your committee rejoiced to notice the accounts of the state of religion in the several congregations of that Synod, from which as well as from the zeal evinced by these brethren in the temperance cause and in missionary exertions, we are led to conclude that the work of the Lord is prospering in their hands.

The synodical contributions amounted to \$70,31. The Missionary and Education fund consisted of \$207,02. The centenary fund amounted to \$580. The female association for the education of foreign missionaries contributed to this benevolent object, the sum of \$390.

2. The West Pennsylvania Synod held its seventh session at Boalsburg, Centre Co. Pa., from Oct. 1st to Oct. 6th, 1841. The clerical members of the Synod in that session were 56, previous to the separation of those brethren, who afterwards formed the Alleghany Synod. The officers elected were the Rev. Dr. C. P. Krauth, President, the Rev. A. Lochman, Secretary, the Rev. Wm. Garman, Treasurer. The parochial report gives 157 churches in connection with said Synod; 3079 baptisms; 757 confirmations; 15,328 communicants; 95 Sunday-schools; contributions to Synodical treasury \$132,85; for missionary purposes \$175,51; centenary fund \$301,85. Your committee rejoice in the prosperity of this large Synod, as well as in the zeal manifested by its members in their exertions to build up the kingdom of God within the circle of their activity.

Adopted.

Respectfully submitted,

ERNEST L. HAZELIUS,
JOHN M. SMITH.

COMMITTEE ON MINUTES REPORTED.

Report No. 6.

Received.

Committee No. 3, on minutes of sister Synods beg leave to report. The Evangelical Lutheran Synod of Ohio and adjacent States, convened in Washington, Guernsey Co. Ohio, on the 14th of Oct. 1842. They report 10 bishops; 7 licentiates; 106 congregations; 936 infant baptisms and 208 adult baptisms; 961 confirmations; 4415 communicants; Sunday-schools, Lutheran, 30; Union 11; teachers 34; scholars 600; prayer-meetings 97; Bible societies 2; Monies collected, \$194,64.

The Evangelical Lutheran Synod of South Carolina and adjacent States, assembled at St. Mark's church, Edgefield Dist., S. C., on the 12th of Nov. 1842. The officers of this Synod, are Rev. J. C. Hope, President, Rev. Wm. Berly, Recording Secretary, Rev. C. B. Thümmel, Corresponding Secretary, Col. West Caughman, Treasurer of Synod, and Mr. Henry Muller, Treasurer of Seminary. From an examination of the minutes we observe that our brethren in the South have been industriously employed in obtaining donations to the centenary fund, and have already obtained an amount of 4,000 dollars, and have resolved to continue their efforts until they obtain a fund of 10,000 dollars.

The Temperance cause, during the last year, met with success surpassing the most sanguine hopes of its advocates. The parochial reports present the following aspect. They number 24 ordained ministers; 6 licentiates; 34 congregations; 371 baptisms; members received, 303; communicants, 2177; Sunday-schools, 12; teachers, 54; scholars, 517; contributions to synodical treasury, \$247,19½. On the 28th page of these minutes, it is stated that a petition of the theological students had been presented to the Board of Directors, complaining of the difficulty of obtaining board at a moderate rate, and in suitable families. The Board states to Synod that an arrangement was about to be made, which would enable all the Theological students to board in the family of a respectable minister, one of the alumni of the institution, and that the entire expense for board, lodging, fuel, lights, and washing, would not exceed \$8 per month.

It furthermore appears on those minutes, that the South Carolina Synod are not unattentive to the wants of the church. They are, with spirit and vigor engaged in the enterprises of the missionary and education causes, together with other laudable pursuits, that reflect honor upon them. May God speed them in their toils, and crown their labors with success.

Adopted.

All of which is respectfully submitted,

JACOB CRIM,
MATTHIAS BARRIER.

Some remarks having been made by the brethren from the South in reference to the subject of board, and other matters touching the interests of our Southern Seminary, it was

6. *Resolved*, That our Synod is happy to learn from the remarks made by Dr. Hazelius, Professor in our Seminary, and also by Rev. J. F. W. Leppard, that every attention is paid to the interests of our beloved institution, and to the instruction, improvement,

moral and spiritual connected, as well as to the temporal comfort and happiness of the students. And while this Synod desires to continue in union and to co-operate with it in accomplishing its high and holy objects, the qualification of men for the gospel and the enlargement of the kingdom of God, we pray that his rich blessing may continue to crown our efforts in this blessed work.

Sundry resolutions presented by brother Arey, were laid upon the table for further consideration.

7. *Resolved*, That Synod adjourn to 9 o'clock Monday morning. Closed with a benediction.

SATURDAY AFTERNON, 1 o'clock.

The congregation having assembled for divine worship, Rev. H. Græber delivered an instructive discourse from Rev. 3rd chap. 17th, 18th verses. "Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked; I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment that thou mayest be clothed, and that the shame of thy nakedness do not appear: and anoint thine eyes with eye-salve, that thou mayest see."

The services were continued with a sermon by the Secretary, from John 7th chap. 38th verse. "He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living water."

Several prayer meetings were attended in the church and neighborhood at night by the brethren.

LORD'S DAY SERVICES.

The congregation having convened, a prayer meeting was held in the church, after which Rev. J. D. Scheck preached from Matt. 12th chap. 41, 42 verses.

Though the weather was inclement, yet a goodly number attended, but as many of the members of Synod and of the congregation could not be present it was deemed advisable to postpone the administration of the Lord's Supper till Tuesday. At candle-light a considerable number attended service in the church, when brother Leppard preached an edifying sermon from Romans 14th chapter, 17th verse. May the great Shepherd and Bishop of souls, bless the good seed sown, that many who go forth sowing in tears may reap everlasting joy.

THIRD SESSION.

MONDAY MORNING, 9 o'clock.

Synod resumed its deliberations with prayer by Dr. Hazelius. The minutes of the preceding session were read and confirmed.

THE COMMITTEE ON THE PRESIDENT'S ADDRESS REPORTED.

Report No. 7.

Received.

The committee appointed to examine the President's report, beg leave to state that they have attended to their duty, and would direct the attention of Synod to the following items. 1st. The state of the records of Synod. 2nd. The rescinding of the 8th resolution of the tenth Convention of the General Synod. 3rd. The holding of special conferences within our Synodical bounds.

As regards the first item, your committee refer the whole matter to the consideration of Synod. In regard to the second item, your committee would recommend that our delegate to the General Synod, to meet in Baltimore on the third Sabbath in May next, be instructed to oppose any further action on the part of said body in relation to the 8th resolution of the tenth convention of said Synod, so far as the Tennessee Synod is concerned, for the reasons assigned by the committee on the minutes of the Maryland and Alleghany Pennsylvania Synods.

As respects the third item, your committee would state that they deem it of vital importance to the prosperity of the church that those conferential meetings be attended to by the brethren; and would recommend the appointment of a committee whose duty it shall be to lay off the conferential districts, designating the times and places where those meetings are to be held and the brethren by whom they are to be attended.

Lastly, we recommend that the President's report as revised be appended to the minutes.*

Respectfully submitted,

BENJ. AREY,
S. ROTHROCK,
Col. J. SHIMPOCK.

8. *Resolved*, That each item of this report be considered separately.

It was then taken up in regular order, discussed, and finally adopted as a whole.

9. *Resolved*, That the President and Secretary be authorized to make the necessary arrangements to have the minutes of this Synod of former years, recorded in the German language, translated into the English, or as much of them as may be deemed of importance to the future interests of the church.

*See Appendix A.

In view of that item in the report of the committee, having reference to the division of the churches in the bounds of this Synod into confessional districts,

10. *Resolved*, That a committee be appointed for said purpose, and specify the time and place, and by whom each meeting is to be attended.

Committee.—Rev. H. Græber, J. D. Scheck, J. Swicegood, Col. J. M. Smith and M. Barrier, Esq.

Dr. Hazelius now informed the Synod of his intention to leave for home to-morrow morning, assuring us of both his own fraternal feelings and of those of the brethren in the South, generally, toward the members of this body, and that it had afforded him much pleasure once more to meet us in a synodical capacity. Whereupon it was,

APPENDIX A.

PRESIDENT'S ANNUAL REPORT.

Dear Brethren :

We are once more assembled in the capacity of a Synod, to discharge the duties devolving upon us, in the important relation we sustain to the Church of Christ. The first of these duties is, to render to God our united expression of gratitude, for his mercies, both providential and spiritual, so largely vouchsafed to us, since last we met. Whilst death has made many sad breaches in some of the churches, committed to our care, we have not been made to mourn the loss of any brother in the ministry, because we should "see his face no more." Our lives have been prolonged, and we are all here present to hold sweet counsel together.

In presenting you a report of the events which have transpired, since our last meeting, together with such recommendations as I deem worthy your attention, I will, for the sake of reference, class them under their appropriate heads.

1st. *Of Correspondence.* In compliance with the instructions of Synod, I forwarded a communication to our people of Lincoln county, apprising them of the appropriation made by Synod, for the purpose of sustaining in part, the "ministry of the word" among them. As also, the appointment of a continuous meeting, to commence in St. Paul's church, on Friday preceding the first Sabbath in May next.

2nd. *Of Letters.* On the 6th of April, I received a letter from brother Harter, informing me of the dedication of the new church, in Concord, Cabarrus county, by the name of St. James. The dedication sermon was delivered by brother Græber, from Luke 14th chap. 23d verse, last clause, "Compel them to come in, that my house may be filled." It must afford our brethren of Concord no small gratification, that in undertaking to build an house for God, the work of their hands was crowned with such speedy and pleasing success.

On the 24th of April, I received a letter from brother Kistler, of Catawba county, enclosing his parochial report, and assigning reasons why he could not be present with us, at this meeting of Synod. This letter will be laid before you at the proper time.

3rd. *Of Recommendations.* I would direct the attention of Synod to the state of our *Records*, as I deem them to be of vital importance to our church in North Carolina. Nearly forty years have elapsed since the organization of the Synod of which we are members, and for the first twenty-six years of its existence, all business was transacted and recorded in the German language, and should that language continue to decline with the same rapidity for a few years to come, as it has done for a few years past, (I mean in North Carolina,) they must in a great measure, become useless to us, if not subject us to much inconvenience and loss. It is well known, that there are but few of us, who are familiar with the German language, and should they be removed by death or otherwise, it would be no small matter to obtain the services of one, competent to the task of translating the proceedings of twenty-six sessions, into the language of the land.

I do not deem this the proper time and place, to assign my reasons at length, for immediate action upon this subject, but will take pleasure in doing so, when it is brought up for discussion before the house. At the session of Synod, held in Wythe county, Va., in 1841, the following resolution was adopted:

Resolved, That in our opinion, any further action on the part of the General Synod under existing circumstances, in relation to the eighth resolution of the tenth convention of said body, as far as the Tennessee Synod is concerned, would be injudicious, and would prove injurious to the best interests of the Lutheran Church in the South.

I would not have called your attention to this subject, had I not met with the following resolution, passed by the Synod of Virginia, at their last meeting.

Resolved, That our delegates to the General Synod, are hereby instructed to urge the excinding of the 8th resolution of the tenth convention of the General Synod, to convene at Baltimore, on the third Sabbath in May, 1843.

A similar resolution was passed by the Maryland Synod, at their last convention. I therefore recommend, that spirited resolutions be adopted by this body, expressive of our disapprobation of any, and all attempts to have excinded the 8th resolution of the tenth convention of the General Synod; I mean as much of it as relates to the Tennessee Synod.

Permit me to remind you of the ninth section of our excellent constitution, requiring the holding of special conferences within our bounds, as often as expediency may dictate. That this important feature in our ecclesiastical operations has been too much neglected, I think we are all ready to admit; and humiliating must be the reflections, that the year, I mean our ecclesiastical year, as a church, is gone,—its report of our respective labors is closed, and has already been transferred to the record on high, without our having enjoyed those tokens of mercy, so richly vouchsafed to our ministerial brethren, and the churches committed to their charge, in other sections of our beloved Zion. If our churches have not been revived,—if the cause of Sabbath-schools has declined,—if any of the institutions of the church have in any wise suffered, may they not have withered, in a great measure, because our special conferences have been lost sight of?

Many are the advantages which arise from the observance of special conferences, but they need not be enumerated here, as they will readily occur to your minds. Pardon the liberty I have taken of “stirring up your pure minds, by way of remembrance,” and may I hope that the subject will receive your earliest attention. And may the Spirit of the *Master*, preside over our deliberations, and direct our decisions to the glory of his name. Amen.

JOHN D. SCHECK, *President*.

APPENDIX B.

PROCEEDINGS OF THE MISSIONARY AND EDUCATION SOCIETY.

In compliance with a resolution passed at its last meeting, the Missionary and Education Society, connected with the Evangelical Lutheran Synod of North Carolina, met on the 1st of May, 1843. After the object of the Society had been fully explained, an invitation was extended to all such, as were willing to become members.

A considerable number came forward, and after having contributed the amount necessary to constitute them members, took their seats.

An election for officers was now entered into, which resulted as follows :

REV. H. GRÆBER, *President*.
 “ W. ARTZ, *Vice President*,
 “ B. AREY, *Secretary*,
 COL. J. SMITH, *Treasurer*.

The following persons were then appointed by the brethren, to serve as an executive committee for the term of one year: viz. Rev. W. G. Harter, Rev. B. Arey, and Matthias Barrier.

The President then proceeded to appoint six directors; the following persons were appointed, viz. Rev. J. D. Scheck, Rev. W. G. Harter, Rev. J. Crim, Col. J. Smith, Andrew Sink, and George Cline.

Report of the former executive committee, was read; from which we learn, that the current annual expenses of our beneficiary, Mr. Krimminger, at Lexington, is \$200,00; that he is desirous of continuing his studies there, and entreats this society for further assistance. Received and adopted.

1. *Resolved*, That under existing circumstances, we deem it inexpedient to afford Mr. J. Krimminger any further aid from this Society.

The treasurer of last year sent in his report, which was referred to a committee for examination; Col. J. Smith, and George Cline, were appointed the committee.

Rev. S. Rothrock was appointed to preach on the subject of Education and Missions, at the next annual meeting of the society.

The committee on Treasurer's account, submitted the following as their report.

In hands of the former Treasurer,	-	-	-	-	\$108 58
Interest,					59
Whole amount,					<u>\$109 09</u>
Donations. Auxiliary Society of Organ Church,	-	-			11 00
“ “ “ of St. John's church,	-	-			9 25
Amount collected during the meeting,	-	-	-		13 08
Interest on Centenary fund,	-	-	-	-	76
Total,					<u>\$143 12</u>

2. *Resolved*, That the Treasurer of this society, be required to place such monies as may remain in his hands, after all appropriations are made, upon interest, and secure the same by note and good security.

3. *Resolved*, That if the brethren of Jerusalem, St. Matthew's, and Dutchman creek churches, in Davie county, obtain a minister of their choice in connection with some Evangelical Lutheran Synod, during the year; this society will contribute fifty dollars towards his support, provided he labors among them one year.

Here our worthy friend, Dr. Hazelius, proposed giving five dollars yearly, towards the support of a minister among our brethren in Davie county, provided they could obtain a minister to labor among them. We should rejoice to see others imitating his good example.

4. *Resolved*, That all the beneficiaries, under the patronage of this society, shall be under its control, and shall be required to hand in a full and satisfactory report,

annually, at its regular sessions, consisting of the bills for board, tuition, clothing, &c., and how much in arrears.

5. *Resolved*, That an extract from the proceedings of this meeting be printed with the minutes of Synod.

6. *Resolved*, That the next meeting of this society, be held at the time and place of the meeting of Synod, and that the society meet on Monday, at 1 o'clock, P. M.

7. *Resolved*, That the society now adjourn.

Closed with singing and the benediction.

BENJAMIN AREY, *Secretary*.
